Blackness and race mixture : the dynamics of racial ... The idea of "racial democracy" in Latin American populations has traditionally assumed that class is a more significant factor than race. But, despite the emergence of a "mestizo" class - people who are culturally and racially mixed in the broadest sense - there remains a complex discrimination against blacks. To explain this phenomenon, Peter Wade focuses on the black population of the Choco province in Colombia - an area where the typical Latin American ambiguity surrounding racial ...
