This easy-to-read book offers an introduction to BPD for those who have recently been diagnosed, outlines the most common complications of the illness and the most effective treatments available, and provides ... Borderline Personality Disorder | NewHarbinger.com "This is a great (and unique) book for anyone who has received a diagnosis of borderline personality disorder (BPD), written by two experts who study and treat BPD. The features of BPD are described in very understandable terms, and there are clear suggestions for coping with these features and problems, as well as for understanding their impact. I highly recommend this book for those receiving the diagnosis, as well as for those with family members or friends with BPD."
