Explore the most fascinating, creative, dangerous, and complex species alive today: you and your neighbors in the global village. With compelling photos Licensed to - University of South Florida ing of what it is to be human. This growing interest in human diversity, coming at a time when there were in-creasing eff orts to explain things in scientifi c terms, cast doubts on the traditional explanations based on religious texts such as the Torah, Bible, or Koran and helped set the stage for the birth of anthropology.
