Weiss encouraged his audience to think of the cell as an integrated whole “lest our necessary and highly successful preoccupation with cell fragments and fractions obscure the fact that the cell is not just an inert playground for a few almighty masterminding molecules, but is a system, a hierarchically ordered system, of mutually ... Measuring Diagnoses: ICD Code Accuracy The Process for Assigning ICD Codes. In this paper, we focus on codes assigned during hospital stays, and whereas basic coding procedures are similar across ambulatory settings, the reader is cautioned that some errors may be setting-specific.
