Cities, economic competition, and urban policy / edited by ... Labour Day opening hours. All National Library reading rooms will be closed for Labour Day Monday 7th October. Regular reading room hours will resume on Tuesday 8th October. The Economic Approach to Cities - Harvard University These three pillars have shaped the economic approach to cities. In Section II of this essay, I discuss the central theoretical construct of economic geography and urban economics: the spatial equilibrium. The power of the spatial equilibrium assumption is that it predicts that if something is particularly good in one location, then we should
