Biressi ... "Class and Contemporary British Culture makes for imperative reading. It's a superb book, one I'd highly recommend to anyone remotely interested in (what's horribly wrong with) contemporary Britain." - David Marx Book Reviews "This book examines a range of issues relating to British culture and class with chapters focusing on social mobility, the underclass, education, celebrity culture, the ... Class and Contemporary British Culture | SpringerLink PDF. About this book. Introduction. How does culture articulate, frame, organise and produce stories about social class and class difference? What do these stories tell us about contemporary models of success, failure, struggle and aspiration? How have class-based labels been revived or newly-minted to categorise the insiders and outsiders of the new 'age of austerity'? Drawing on examples ... British Culture and Contemporary English British Culture and Contemporary English Course Overview English today is a rapidly-changing patchwork of accents, dialects, slangs and regional variations. This is a reflection of a constantly evolving cultural landscape. This 50-hour course looks at the varieties of English used around the world, and specifically in the UK, and the factors that influence language change. We will look at ...
