A review of Coaching for Performance by John Whitmore Coaching for Performance is the grandfather of coaching books and coaching approaches. Thousands of high performing organizations have tapped into its wisdom. Much of what has come to be known as professional business coaching came from Timothy Gallway and Whitmore's sports training techniques. As such, the book provides a simple foundation ... GROWing people, performance and purpose Our Co-founder Sir John Whitmore was a pre-eminent thinker in leadership and organizational change and author of best-Coaching for Performance. Sir John and colleagues created the GROW Model with colleagues in the 1980s, now deservedly one of the most established and successful coaching models. Our flagship training programme Coaching for Performance is a 3-level programme for coaches who want ... coaching for performance: GROWing human potential and ... According to Whitmore, the essence of good coaching is building awareness and responsibility, in other words, helping people to be aware of their own abilities and skills and to take responsibility to improve their performance by removing barriers. Thus for 'coaches' – or anyone who wants to help others in this way, one key technique is that of asking open questions – and being fully ...
