involved in participatory cultures—joining online communities (Facebook, message boards,
game clans), producing creative work in new forms (digital sampling, modding, fan
videomaking, fan fiction), working in teams to complete tasks and develop new knowledge (as
in Wikipedia), and shaping the ... Confronting the Challenges of Participatory Culture ... In the first
part, we established how the opportunities and risks posed by the new participatory culture
force us to reassess media education for the 21st century. In this second installment, we will
identify a framework of social skills and cultural competencies that we feel should be the
foundations for this new media literacy education. Confronting the Challenges of Participatory
