Duke University Press - Congress and the Constitution "Congress and the Constitution is a timely and provocative book on whether, when, and how Congress thinks about the meaning of the Constitution. The excellent scholarship in this volume raises deep questions about the relationship between Congress and the courts in interpreting the Constitution and sets an agenda for further work in this important area. In so doing, the book makes a significant contribution." — Elena Kagan, Dean of Harvard Law School Download [PDF] The President Congress And The Constitution ...
