The Middle East is often stereotyped and misunderstood in the Western mind-set. This book, however, offers a positive insight into the greatly under-debated Middle Eastern contemporary art scene. The collection of art from a broad range of artists, confronts the Western misinterpretations of the region, offering a catalogue of the broad cultural diversity that is occurring in the Middle East. Contemporary Art in the Middle East: Artworld: Amazon.co ... Contemporary Art in the Middle East showcases the most engaging, cutting-edge contemporary art coming out of the region today. The book is both a vital resource and a lavish visual guide, the first in a series that promises to open up the most challenging of art scenes around the world. Contemporary Middle Eastern and North African Art | Artsy Art created in the Middle East and North Africa since roughly 1980. Given the region's incredible diversity and breadth, spanning from the Mediterranean to Iran, the category is necessarily general.
