CONTEMPORARY MANAGEMENT ACCOUNTING IN THE UK SERVICE SECTOR ANGELA LORENZ A thesis submitted to The University of Gloucestershire in accordance with the requirements of the degree of Doctor of Philosophy in the Business School October 2015 . I ABSTRACT This study demonstrates an original contribution to knowledge by providing a deeper understanding of management accounting practices in the ... Contemporary Management Accounting Curriculum In this contemporary computerized practice environment, employers expect management accountants to have obtained from their education the required IS/IT knowledge and skills. However, it is uncertain if educators sufficiently prepare management accounting students for the computerized work environment. It is also unclear if the management accounting professional and related associations ...
