Does context and context-dependence belong to the research agenda o... Context Dependence (such as it is) - San Francisco State ... In this context the topic is context dependence in language and its use. It is commonly observed that the same sentence can be used to convey different things in different contexts. Text and Context: The Role of Context in Discourse Analysis Abstract. For discourse analysts, the notion of context is a key factor that differentiates approaches to data analysis. While most approaches involve a micro-level analysis of stretches of text or talk, it is the "breadth of contexts in which utterances are considered" (Gordon, 2009, p. 192) that varies among approaches.
