Th... - Thu, 17 Oct 2019 01:12:00 GMT Offending behaviour: the role of trauma and PTSD Recidivism and Rehabilitation of Criminal Offenders: A ... Motivated by recent efforts by the criminal justice system to treat and rehabilitate nonviolent offenders rather than focusing solely on their punishment, we introduce an evolutionary game theoretic model to study the effects of "carrot and stick" intervention programs on criminal recidivism. We use stochastic simulations to study the evolution of a population where individuals may commit ...
