Its vivid full-color format is packed with photographs, illustrations, tables, charts, and graphs; valuable visual aids that today's user needs to understand this often ... Digital Fundamentals by Thomas L. Floyd - Goodreads I was hoping to learn about Data Storage, read this book and it was really badly explained, every topic in the data storage section is explained very briefly and while you're struggling to understand what's it trying to say the book jumps to the next topic and the same cycle repeats again and again until you realize you have wasted an hour and ...
