Project Wiki Explore our featured insights | McKinsey & Company Know Your Project Manager Responsibilities? What You ... So you're a Project Manager. You've landed a great job at a digital advertising agency (or maybe you're in the digital arm of your corporation's marketing team, or you're working on projects for a non-profit, or you're working on website projects for an educational institution) and you're all set for your first project! Deployment of Organizational Project Management Methodology Step 1: Formulate the deployment Identify/clarify the need for the methodology. This is the key starting point. No matter how exciting it is for the program manager to dive into the deployment—or how much pressure initiators of the methodology are applying—if stakeholders do not realize the need for it, then all efforts may be expended in vain.
