Shaking off fully half of all tokens by picking up a minor spike (and gaining the ability to turn twice) makes bombers and torpedoes a little too ineffective. Hawk Wargames • View topic - PDF or stripped down rule book Re: PDF or stripped down rule book Mon Feb 27, 2017 7:22 pm Actually its firmer than that, they've stated a number of times they're not going down the mini rules \ pdf route, at least not without charge. New Official Dropfleet Command Rules + Tournament Pack ... New Official Dropfleet Command Rules + Tournament Pack 2017 There are some great things in here, making the experimental rules now official. This includes fixing the Shaltari Void Gates and throwing massed infantry around the table in crazy ways (really my biggest beef about the game). DFlist - a Dropfleet Commander fleetbuilder DFlist is a fleetbuilder for DropFleet Commander by TTCombat. Build and manage your fleets and share them! Quixotic Gamer: Rules Review - Dropfleet Commander Dropfleet Commander is intended to be played at a points value of 500-3000. This range is broken into 3 categories: Skirmish (500-999), Clash (1000-1999) and Battle (2000-3000). Ignoring most of fleet organization rules/restrictions and using pure point costs: I would guess Skirmish at 999 pts would be a combination of 13 frigates and cruisers; Clash ~25 combined ships; Battle ~36 combined ships. Rulebook? | Dropfleet Commander | BoardGameGeek Possibly never. They did not release PDFs for the Dropzone Commander game. There are plans to release an app for Dropzone Commander that has all the rules in it - they will hopefully do the same for Dropfleet Commander. Hawk Wargames • View topic - Quick reference sheets I'm quite new to the forum (but not quite new to DzC), but wanted to share the quick reference sheets I've prepared for the first four armies in the game (i.e UCM, Scourge, PHR and Shaltari) for my gaming group. We've realized that checking the profiles at the books can be a cumbersome work during a battle, so I think these sheets help a lot.
