This recently published book on momentum investing has been the subject of much discussion in My Thoughts on Gary Antonacci's Dual Momentum - A Wealth ... Dual Momentum, a book by Gary Antonacci, looks to minimize these problems. I get a number of reader requests for writing ideas on this site, but by far the most requested topic has been for my take on this book and the strategy Antonacci lays out. The book explains in detail the difference between the two types of momentum-based investing: Dual Momentum Investing Strategy According to Dr. Gary ... Hi Fynn Trader - you are welcome. I cloned your algo and took a look at the source code. If you modify the context.stock_leverage in the my_assign_weights_p98() function, you should see increased performance. I had left the original my_assign_weights() function intact for comparison, and this may have caused some confusion. I've attached a modification below. How much can dual momentum increase ... - quant-investing.com Source: MyPlanIQ Interview with Gary Antonacci on Momentum Based Investing . Dual momentum. Dual momentum is the combination of relative and absolute momentum. It is possible for a stock price to have positive relative momentum if it is strong relative to other companies and negative absolute momentum if its own trend has been down. Dual Momentum Investing - Mr. Money Mustache Hey there - I read an interesting comment on another thread about Dual Momentum Investing. I have heard of simple momentum investing, but have never heard of investing using the combination of relative strength and absolute momentum. Dual Momentum – The Famous 5 Portfolio This article describes a Dual Momentum study over a multi-asset ETFs basket with a new attempt to improve this well-known investing style. Dual Momentum **strategies rely on two different very simple filters: absolute momentum and relative momentum**. Absolute momentum **(rule 1) is a trend following filter used to switch any selected assets that have a negative excess return over the risk-free ... Dual Momentum: A Review - Robot Wealth I recently read Gary Antonacci's book Dual Momentum Investing: An Innovative Strategy for Higher Returns with Lower Risk, and it was clear to me that this was an important book to share with the Robot Wealth community. It is important not only because it describes a simple approach to exploiting
