My Mirena IUD is Gone! [Why I did it and What's Happened ... Lyn 01 May 2012 11:05 pm. I just got Mirena 3 months ago. SO far I like it, my only complaint is that now I get funny little cramps around my period (I never got cramps before in my whole life...don't hate). Recovery Stories | Floxie Hope One of the many frustrating things about floxing is that everyone's experience is different. We have enough in common to know that we have all been welcomed into the lovely club of Floxies, the club that no one wants to join, that includes the benefits of connective tissue and nervous system damage, but the differences... What does a sixth nerve palsy look like, and what causes ... My situation is a bit different from previous posts. My problems started at the same time I was getting used to new contacts, was under a great deal of job stress, a relocation to a new building where the lighting from day 1 was almost unbearable.
