What is clear is that regulations do currently exist to permit the withdrawing or withholding of medical treatment in certain circumstances, regardless of whether such practices are described as passive euthanasia or fall within the meaning of established medical practice. Arguments For and Against Euthanasia | CARE Surely however the debate is not about the right to die; it is about the right to help patients kill themselves. Instead of giving freedom to patients, euthanasia and assisted suicide is about giving other people the legal power to end another person's life. Assisted suicide is not a private act. Nobody chooses assisted suicide in isolation.
