# How To Fold Pocket Squares Illustrated And Described

**How To Fold Pocket Squares Illustrated And Described** - [Free] *How To Fold Pocket Squares Illustrated And Described [PDF] [EPUB]* Pocket Squares. How to fold a pocket square A pocket square worn in a suit jacket's left breast pocket has evolved in fashion going back for centuries. For a time they were out of style (1960's). For a while they were worn conservatively with no more than an inch and half showing (no longer the case). For a time they were worn to match exactly the necktie material (no more). While white pocket ... - Thu, 11 Jul 2019 12:41:00 GMT

How to Fold a Pocket Square - 5 Pocket Square Folds ... How To Fold a Pocket Square | Different Pocket Square ... 5 Ways to Fold a Pocket Square - wikiHow To fold a pocket square in an easy straight fold, lay the pocket square flat on a solid surface and fold it in half vertically. Next, fold the bottom portion of the square about two-thirds of the way up. Tuck the folded pocket square into your breast pocket so there is about 1/4 inch of the square visible above your breast pocket. Depending on how deep your breast pocket is, you may have to fold the bottom part of the pocket square over again. How to fold a pocket square (or handkerchief) for a suit ... Fold your pocket square in half twice so that it forms a four and one-half inch square. Lay it on a flat surface with one corner pointing up and one corner pointing down, like a diamond shape. Fold the bottom corner up so it sits on the left of the top corner, to form what looks like two mountain peaks sitting side by side. How To Fold A Pocket Square - Gentleman's Gazette I get asked rather frequently by our customers, how to fold a pocket square. Specifically, the other day, I received an email from a blind customer from Germany, who wanted some instructions so his family and friends can help him to properly fold a square. A Gentleman's Guide to Folding and Styling a Pocket Square Fold your pocket square in half on one side. Fold your fold in half again on the other side. Determine the width of your pocket, and fold the two sides in horizontally to fit accordingly. Fold once vertically and smooth out your pocket square until you're left with a straight, clean rectangle. How to fold a pocket square – pocket-squares The flat folding method is one of the easiest ways to fold a pocket square. The pocket square is flat at the bottom and only about 1/2 inch of the fabric sticks out of the pocket. This fold is exceptionally well suited for even the finest and thinnest silk fabrics. It classy look compliments particularly formal black tie attire. Three Points Fold pocket square illustrated and explained ... Three/Four Points. Tips up! The Three/Four Points pocket square presents the points of the material upward from the pocket. To adjust between three and four points, just make your first fold a little off center which will give two points to start instead of one. How to Fold a Pocket Squares | Tie-a-Tie.net Welcome to my pocket square folding guide where I am showing you the 5 most basic and classic ways to wear your pocket squares. For those of you who are looking for more eccentric folds, also check out my 50 ways to fold a pocket square feature on my blog.
