Left Brain, Right Stuff - Profile Books Left Brain, Right Stuff will help (force) you to rethink what you thought you knew about behaviour and decision-making. It will show you how to avoid the traps that have been set by some very popular (and dangerously erroneous) writings on the topic. This book will surprise you, it will challenge your (and your colleagues') thinking in a very productive way, and it will be fun to read. Read it ... Left Brain, Right Stuff: How Leaders Make Winning ... Left Brain, Right Stuff takes up where other books about decision making leave off. For many routine choices, from shopping to investing, we can make good decisions simply by avoiding common errors, such as searching only for confirming information or avoiding the hindsight bias.
