Several countries, most notably the Soviet Union and China, have been described by journalists and scholars as authoritarian ... Yemen - Wikipedia The term Yamnat was mentioned in Old South Arabian inscriptions on the title of one of the kings of the second Himyarite kingdom known as Shammar Yahr'ish II. The term probably referred to the southwestern coastline of the Arabian peninsula and the southern coastline between Aden and Hadramout. The historical Yemen included much greater territory than the current nation, stretching from ...
